

OUR DIFFERENCE

Fez Studio's partnership with Kate Somerville enables us to offer you signature line of products and services to obtain the best possible results, regardless of an individual's age or skin type. Using the finest high-grade ingredients and the newest, cutting-edge technology, we are dedicated to helping individuals attain the most vibrant, youthful skin possible.

The Kate Somerville technology has empowered us to give you the best results by creating medically based treatments that are non-invasive and powerfully effective. The patented Dermal Quench technology we offer can be used in combination with any facial treatment to obtain maximum results for you.

With this partnership, we have cemented our status as Oregon's premium location for the most preferred, cutting-edge, and exclusive products preferred by those with access to the best.

For you, this means the best possible results.

"My treatments and products are designed to meet the needs of real people. Yes I treat a lot of celebrities, but they have true skin issues just like you and I." - Kate Somerville

TESTIMONIALS

"I love Quench and the way it makes my skin glow. Kate's treatments are amazing."

Jessica Alba

"Kate Somerville's products and treatments are simply the best in town...and out. I never travel without them, and my skin is noticeably transformed. I have a lot of opportunities to try lots of different products and Katie's are the best!"

Kate Walsh

"The moment I step through the door of a Kate Somerville clinic I feel so warm and welcomed. Everyone is so great there! Kate Somerville's treatments and products are wonderful! They are rejuvenating and make my skin glow!"

Felicity Huffman

I know by coming here (Kate Somerville), I will stay young forever. My skin has never looked better and everyone who works here is amazing at what they do. I am so happy I discovered this place – it's a miracle worker

The products are great quality and I love using them. I love the Total Vitamin because it gets the vitamins into my skin that I need and the Quench because my skin eats it up and loves it. I have never looked better.

Paris Hilton

Every single client I have sent in to see Kate has thanked me - not just for the amazing treatment, but for ending their constant search for the perfect facialist. I've been in Hollywood for years, working with the best of the best in each field and Kate is the Best. She has superior products and loyalty from every client I have sent in - and in this town - THAT is amazing."
